RACIAL TRAITS

Spellcasting. You can cast cleric spells as rituals. You can prepare 8 spells from the cleric spell list. You can use a holy symbol as your spellcasting focus.

Channel Divinity (1/Short Rest).

Turn Undead (Action—Channel Divinity). Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes any damage. A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Reaper. When you cast a necromancy cantrip that targets one creature, you can target two creatures within range and within 5 ft of each other instead.

Touch of Death (Channel Divinity). Use channel divinity when you hit a creature with a melee attack to deal 13 extra necrotic damage.

NAME

SYMBOL

A former cleric betrayed by his faith, he now walks a path of vengeance, driven by an unyielding resolve to avenge his family. His experiences have left him brooding and cynical, skeptical of authority and wary of trust. Yet beneath this somber exterior lies a sharp mind, adaptable and resourceful in pursuit of his goals. Every action is fueled by his singular purpose, as he relentlessly seeks justice against those who wronged him, undeterred by any obstacle in his path.

PERSONALITY TRAITS

He seeks retribution beyond simple justice, aiming to inflict equal pain on his enemies. Driven by vengeful fury, he believes true balance requires making his foes suffer as he has. This thirst for revenge consumes him, pushing him to pursue his targets relentlessly. He's willing to employ any means, no matter how brutal or morally questionable, to ensure his enemies face the full force of his wrath. In his view, genuine justice demands the infliction of suffering on those who deserve it.

IDEAL

The god who helped him in his darkest hour and all who share the same fate as him.

BOND

His fixation on revenge could consume him entirely, leading him to neglect other aspects of his life such as self-care, personal growth, or the pursuit of other goals and interests.

FLAW

As an acolyte, you command the respect of those who share your faith, and you can perform the religious ceremonies of your deity. You and your adventuring companions can expect to receive free healing and care at a temple, shrine, or other established presence of your faith, though you must provide any material components needed for spells. Those who share your religion will support you (but only you) at a modest lifestyle. You might also have ties to a specific temple dedicated to your chosen deity or pantheon, and you have a residence there. This could be the temple where you used to serve, if you remain on good terms with it, or a temple where you have found a new home. While near your temple, you can call upon the priests for assistance, provided the assistance you ask for is not hazardous and you remain in good standing with your temple.

BACKGROUND FEATURE

BACKGROUND STORY

ADDITIONAL FEATURES

Amulet. A holy symbol is a representation of a god or pantheon. It might be an amulet depicting a symbol representing a deity, the same symbol carefully engraved or inlaid as an emblem on a shield, or a tiny box holding a fragment of a sacred relic. Appendix PH-B "Fantasy-Historical Pantheons" lists the symbols commonly associated with many gods in the multiverse. A cleric or paladin can use a holy symbol as a spellcasting focus. To use the symbol in this way, the caster must hold it in hand, wear it visibly, or bear it on a shield.

RANGE	120 feet

You create a ghostly, skeletal hand in the space of a creature within range. Make a ranged spell attack against the creature to assail it with the chill of the grave. On a hit, the target takes 1d8 necrotic damage, and it can't regain hit points until the start of your next turn. Until then, the hand clings to the target. DURATION	Instantaneous
COMPONENTS	V, S, M (two lodestones)

This spell repairs a single break or tear in an object you touch, such as a broken chain link, two halves of a broken key, a torn cloak, or a leaking wineskin. This spell can physically repair a magic item or construct, but the spell can't restore magic to such an object.

Xanathar's Guide to Everything

Command

1st-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	1 round
COMPONENTS	V

You speak a one-word command to a creature you can see within range. The target must succeed on a Wisdom saving throw or follow the command on its next turn. The spell has no effect if the target is undead, if it doesn't understand your language, or if your command is directly harmful to it. Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the DM determines how the target behaves. If the target can't follow your command, the spell ends.

Approach. The target moves toward you by the shortest and most direct route, ending its turn if it moves within 5 feet of you.

Drop. The target drops whatever it is holding and then ends its turn.

Flee. The target spends its turn moving away from you by the fastest available means.

Gravel. The target falls prone and then ends its turn.

Halt. The target doesn't move and takes no actions. A flying creature stays aloft, provided that it is able to do so. If it must move to stay aloft, it flies the minimum distance needed to remain in the air.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

Silence

2nd-level illusion (ritual)

CASTING TIME 1 action

RANGE 120 feet

DURATION Concentration, up to 10 minutes

COMPONENTS V, S

For the duration, no sound can be created within or pass through a 20-foot-radius sphere centered on a point you choose within range. Any creature or object entirely inside the sphere is immune to thunder damage, and creatures are deafened while entirely inside it. Casting a spell that includes a verbal component is impossible there.

Prepared (Cleric)

Player's Handbook

Spiritual Weapon

2nd-level evocation

CASTING TIME 1 bonus action

RANGE 60 feet

DURATION 1 minute

COMPONENTS V, S

You create a floating, spectral weapon within range that lasts for the duration or until you cast this spell again. When you cast the spell, you can make a melee spell attack against a creature within 5 feet of the weapon. On a hit, the target takes force damage equal to 1d8 + your spellcasting ability modifier. As a bonus action on your turn, you can move the weapon up to 20 feet and repeat the attack against a creature within 5 feet of it. The weapon can take whatever form you choose. Clerics of deities who are associated with a particular weapon (as St. Cuthbert is known for his mace and Thor for his hammer) make this spell's effect resemble that weapon.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d8 for every two slot levels above the 2nd.

Prepared (Cleric)

Player's Handbook

Zone of Truth

2nd-level enchantment

CASTING TIME 1 action

RANGE 60 feet

DURATION 10 minutes

COMPONENTS V, S

You create a magical zone that guards against deception in a 15-foot-radius sphere centered on a point of your choice within range. Until the spell ends, a creature that enters the spell's area for the first time on a turn or starts its turn there must make a Charisma saving throw. On a failed save, a creature can't speak a deliberate lie while in the radius. You know whether each creature succeeds or fails on its saving throw.

An affected creature is aware of the spell and can thus avoid answering questions to which it would normally respond with a lie. Such creatures can be evasive in its answers as long as it remains within the boundaries of the truth.

Player's Handbook

The breastplate and shoulder protectors of this armor are made of leather that has been stiffened by being boiled in oil. The rest of the armor is made of softer and more flexible materials.

A shield is made from wood or metal and is carried in one hand. Wielding a shield increases your Armor Class by 2. You can benefit from only one shield at a time.

Crossbow bolts are used with a crossbow to make a ranged attack.

A backpack is a leather pack carried on the back, typically with straps to secure it. A backpack can hold 1 cubic foot/30 pounds of gear.

You can also strap items, such as a bedroll or a coil of rope, to the outside of a backpack.

For 1 hour, a candle sheds bright light in a 5-foot radius and dim light for an additional 5 feet.

This small container holds flint, fire steel, and tinder (usually dry cloth soaked in light oil) used to kindle a fire. Using it to light a torch—or anything else with abundant, exposed fuel—takes an action. Lighting any other fire takes 1 minute.

Rations consist of dry foods suitable for extended travel, including jerky, dried fruit, hardtack, and nuts.

A holy symbol is a representation of a god or pantheon. It might be an amulet depicting a symbol representing a deity, the same symbol carefully engraved or inlaid as an emblem on a shield, or a tiny box holding a fragment of a sacred relic. Appendix PH-B "Fantasy-Historical Pantheons" lists the symbols commonly associated with many gods in the multiverse. A cleric or paladin can use a holy symbol as a spellcasting focus. To use the symbol in this way, the caster must hold it in hand, wear it visibly, or bear it on a shield.

A component pouch is a small, watertight leather belt pouch that has compartments to hold all the material components and other special items you need to cast your spells, except for those components that have a specific cost (as indicated in a spell's description).

This kit is a leather pouch containing bandages, salves, and splints. The kit has ten uses. As an action, you can expend one use of the kit to stabilize a creature that has 0 hit points, without needing to make a Wisdom (Medicine) check.
